

## Declaration of consent to publication of photos and texts on the Internet

Herewith I/we give permission and declare our agreement that photographs and texts of me or my/our child may be published in connection with the graphic representation of the homepage **Streser.de** of the operator **Matthias Streser**.

I/we also agree that photographs taken as part of a report may also be published in the local press and social networks such as: "Facebook and Instagram".

*There is and will be no liability claim against the operator **Matthias Streser** in the type and form of use of the above-mentioned internet pages, for example for the downloading of pictures and their subsequent use by third parties.*

*According to § 22 KUG (Art Copyright Act), publication is generally only permitted if the consent of the person depicted has been obtained beforehand. However, according to § 23 KUG, consent is not required if the persons depicted do not form the focal point of the motif, or if they are "persons of contemporary history" or part of a meeting/event.*
